

# How to refill your doomoo buddy/softy

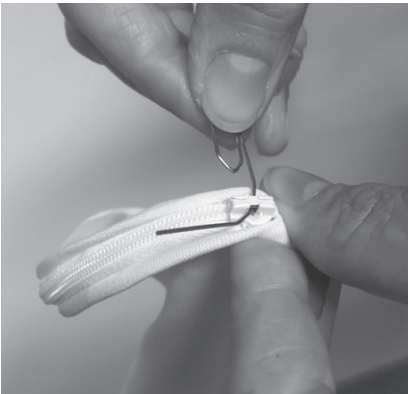

## How to use your refill?

### STEP 1

Unzip the zipper of the pillow and take out the filled inner bag.

### STEP 2

Use a paperclip to open the zipper of the innerbag.

### STEP 3

Open the zipper.

### STEP 4

Open the innerbag.

**Warning !** Due to static electricity the small micropearls will come out of the bag a bit. Keep your vacuum cleaner closeby.

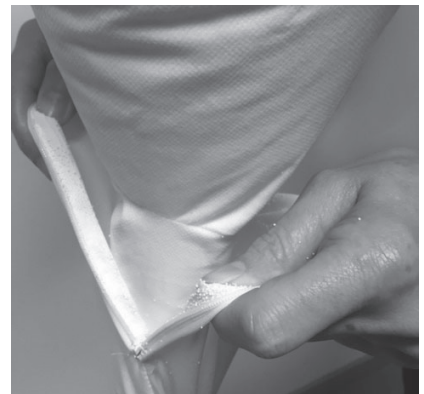

### STEP 5

Remove the sticky label on top of your doomoo refill bag and take out the filling tube.

### STEP 6

Cut off the top of the doomoo refill bag, just below the stitching.

### STEP 7

Fill the innerbag of your doomoo seat by holding the doomoo refill bag upside down.
